# INTRADAMS

## *INtegrating TRAditional and Digital Approaches in Manuscript Studies*

Milan 2025

09<sup>th</sup> June -

20<sup>th</sup> June

INTRADAMS is aimed at postgraduate students and researchers who wish to undertake a course of advanced professional training characterized by the integration of humanistic and digital methodologies, and oriented towards the research, conservation, and valorization of the manuscript heritage of the classical, medieval, and modern periods.

The main objective of the Summer School is to foster the deepening of historical, textual, graphic, and material knowledge of books and documents through the interaction of the traditional approaches with those of digital diagnostics, applied physics, imaging, and materials science.
